

SOUTHERN ARCH I

WINTER 2017

RISING STAR RANCH
MESQUITE, NV

Students of Southern Arch I, Congratulations on completing Encampment! You have made it though a week of training that I hope has helped shape you for the better and left a mark that will help you all further your future cadet careers and lives. My hope is that you all have left encampment with a drive and desire to advance yourselves even more as leaders, with a few more skills and tools to do so. I wish each and every one of you the best of luck with your amazing futures as cadets in CAP.

-Cadet Major Kirsten Dewitt, Cadet Encampment

I am glad that all of you chose to come and spend your holiday with us here. It was a big sacrifice for you and your families to let you attend encampment. Those of you who are here came in with limited skills and we have all come together as a team to train you to be better cadets. I hope you will use these skills and take them back to your squadrons to teach the other cadets what you have learned here. If you get anything out of this week know that the Core Values will never lead you astray.
